Since its establishment in 1967, the USHOFF has been the Premier Sports Organization in Utah, dedicated to preserving and honoring Utah's sports heritage. Since the original Class of 1970, the USHOFF has inducted 241 individuals that include Utah Olympians, All-Americans, professional athletes, sports contributors, journalists and administrators.

**As a non-profit organization**, the support from members of our community allows our volunteer Board to accomplish our three pronged mission to **HONOR the Past, LEAD the Future and AWARD the Present** through such events as the Fall Induction Banquet, Spring Honors & Award Banquet, Officials Banquet, Statewide Coaches Leadership Symposium: *For the Love of Sport*, and the annual Golf Tournament, which raises money for the Scholarship program which awards \$2,000 scholarships to 6-8 deserving high school seniors. [Consider being a USHOFF supporter and donate during our annual Donation Drive \(TBA\).](#)

We invite you to come visit the [Utah Sports Hall of Fame Museum](#), located in the northwest corner of City Creek, ground floor of the Condo High Rise (SE corner). Come stroll through this amazing museum and learn more about Utah's sports heritage and the inspiring stories of each of our 241 Hall of Famers, and honored high school/college coaches, officials, distinguished service and our high school scholarship winners. Admission is free, along with two hours City Creek parking.

Your support for Class of 2022 Hall of Fame inductees and the USHOFF is much appreciated. Please review the attached event flyer for additional information.

Sincerely,
